---

### Objective

Getting a challenging web developer position in a dynamic and innovative organization where I can use my technical and creative skills to develop and maintain responsive, user-friendly, and visually appealing websites.

### Skills and Abilities

HTML, CSS, JavaScript, TailwindCss, Bootstrap, React Js, Git/Github, Figma UI UX

### Experience

#### DASHBOARD WEBSITE:

A powerful and intuitive dynamic dashboard, meticulously built with React JS, offering a suite of robust tools designed to streamline project management and improve productivity.

#### E-COMMERCE SITE:

A dynamic e-commerce platform with a culturally rich homepage that showcases African heritage and values. The site includes a comprehensive set of product pages that allow users to explore, learn more, and purchase unique products seamlessly

#### THE MOVEIS WEBSITE:

A dynamic website for watching movies and series offers smooth navigation and interactive features such as search, ratings, and recommendations, with personalized experiences. It also includes user authentication, account management, and optimized performance for an enjoyable viewing experience.

### Other experience

**Burger King** | January 2024 to March 2024

Customer reception - Delivery of customer orders - Organization of events

**Assistant Attorney** | April 2024 to present

Procedures Clerk - Responsible for the payment of legal articles and medical expertise - Responsible for the preparation of administrative memos.

### Education

**Baccalauréat en entretien de véhicules mobiles 2022 à 2023 | Rabat, Maroc, Dar Essalam.**

### Communication

Excellent communication skills allow me to collaborate with clients, stakeholders, and cross-functional teams to achieve high-quality results.
